Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Santo Domingo Wastewater Distribution System Project in fiscal year 2023.

The entity to receive funding for this project is Santo Domingo Pueblo, located at P.O. Box 99 Santo Domingo Pueblo, NM 87052.

The funding would be used to replace or rehabilitate approximately 19 manholes, 3,300 linear feet (LF) of gravity sewer line, and 156 sewer connections within the Main Village wastewater collection system. This project will preserve housing and improve sanitary conditions within the Main Village where the majority of Pueblo members reside.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Teresa Leger Fernández
Member of Congress
